

QUICKBOOKS HOSTING

We are proud to introduce a new option for our QuickBooks Clients!

We now are able to offer clients access to their QuickBooks file from anywhere with an internet connection.

No more Backups and No more worrying about losing your data due to a computer failure.

We have partnered with a 3rd party vendor, Cloud9 Real Time, to offer you the latest in technological advances. This system is all inclusive with a Document Management & Storage system with Unlimited space availability to store your QuickBooks and other documents/files.

Free US Based Support is included.

Cloud9 Real Time maintains Certified SAS70 Security, complete with regular backup procedures and Data Recovery Systems. High level of Security and Data Encryption to protect your data.

To see how this technology might work for you, please contact Taresa today!!
